

## **CSBG Pre-Application Recorded Teleconference on CSBG T/TA Organizational Standards Center of Excellence**

The Office of Community Services has recorded a pre-application teleconference discussing the Community Services Block Grant (CSBG) Training and Technical Assistance (T/TA) Organizational Standards of Excellence Center of Excellence (COE) (**ACF funding opportunity announcement HHS-2012-ACF-OCS-ET-0539**).

The recorded teleconference has an accompanying PowerPoint slide presentation that should be viewed in conjunction with the telephone recording. The slide presentation will be distributed via e-mail to the CSBG Network and also is posted on the [CSBG website](#) under “What’s New” on the far right side of the webpage.

The recorded teleconference will be available until **Thursday, August 6 11:59 pm Eastern Time**.

You may access the teleconference via phone or via weblink.

**The telephone call-in number is: 800-925-5456.**

### **Who should participate?**

This call is intended for organizations interested in applying for the CSBG T/TA Organizational Standards COE funding opportunity and/or individuals or organizations interesting in learning about the goals and characteristics of this new Center of Excellence.

### **How long will the call be?**

The call will be approximately 40 minutes long.

### **What materials should be reviewed in conjunction with this call?**

Listeners either should have a printed copy of the accompanying slide presentation available or should view the slide presentation on a computer screen. The accompanying slide presentation will be distributed via e-mail to the CSBG Network and also is posted on the [CSBG website](#) under “What’s New” on the far right side of the webpage.
